ENGLISH PROJECT

Section 1: Email of Request

You recently missed a lecture due to illness and need to catch up on the material covered. Write an email to your professor requesting a copy of the lecture notes or slides, and asking if there are any important announcements or updates you may have missed.

Subject: Request for Lecture Notes and Updates

Dear Sir/Ma'am,

I'm writing to ask if you could please share the lecture notes or slides from the lectures I missed last week Friday during the 7th hour because I was not feeling well.

This would help me catch up on the topics covered in class. I also wanted to ask if there were any important announcements, assignments, or updates that I may have missed.

I'd really appreciate your help. Please let me know if there is anything else I need to complete.

Best regards,

Keerthan – 2620030661

Section 2: Email of Update

You are a member of the organizing committee for KLH Bachupally's annual tech-fest "Viwentiaa 2026," and your professor is the faculty coordinator overseeing the event. Write an email updating them on the preparations made so far, tasks completed, and what remains to be done before the event.

Subject: Update on Viwentiaa 2026 Preparations

Dear Sir/Ma'am

I wanted to give you a quick update on the preparations for Viwentiaa 2026. So far, we have planned the event schedule, finalized the activities, and divided the work among our team members.

We have also started working on the promotional poster. We are currently working on the remaining tasks, including finalizing the technical requirements, confirming the participants, and completing other arrangements. We are working on these tasks and plan to finish them before the event.

Thank you for your support and guidance. Please let me know if you have any suggestions or if anything else needs to be completed.

Best regards,

Keerthan - 2620030661
